

## Billing Information

Dear Patient,

Your health care provider has chosen to send a sample for analysis and diagnosis to Incyte Diagnostics. The pathology report will be discussed with you by your health care provider.

**Incyte Diagnostics will be billing your medical insurance directly for these services.** Incyte has established contracts with a large number of insurances and our in-house billing services ensure prompt, courteous and professional service. Keep in mind that coverage is driven by the reason for the test and your individual policy. Please be aware of your plan's limitations and deductibles.

For questions regarding these services please contact Incyte Diagnostics at 800.403.6749
